## HIT THE BRAKES: CHECK THE MAP!

*Analyze your MAP Scores and Shift your Instructional Gears*

**Date:** September 28, 2024

**8:00 am to 3:30 pm**

**Location:** Virtual

**Grades:** Kindergarten – 11<sup>th</sup> Grade

**Please register by September 26, 2024**

Your class has completed the MAP test—now what? As the school year rolls along, let's take a moment to hit the brakes and check out your MAP data. In this session, teachers will analyze their **Fall MAP** data and identify strategies to support student success. After setting goals for your students, we will explore resources to keep your class moving down the learning highway. Join us as we help you shift your instructional gears! **Participants will need access to their Fall MAP data.**

### ***Learning Intentions:***

- **R**eflect on the newest data for your class
- **I**dentify specific student needs
- **D**etermine the goals to meet those needs
- **E**xplore the resources required to meet the goals

### ***Benefits:***

- Eligible teachers may receive \$25.00 an hour for attendance plus in-service points.
- Additional certification points including ESE points can be earned through a follow-up assignment.
- Ongoing support for implementation through [ConnectedClass.com](https://ConnectedClass.com) is available for site-licensed schools.

### ***Who should attend?***

- Any teacher whose class took a Fall MAP test and has those results available to them
- Any teacher who wants to make use of the data to increase student success
- Any teacher who wants to impact their results positively on the next MAP test

### ***Registration:***

The Connected Class website has two different *Events* menus. The *Events* button on the home page is open to all schools. **To sign up for this session**, you must log in to [ConnectedClass.com](https://ConnectedClass.com), and go to the **Events (PBC)** button that is associated with your membership. Select the training date and complete the registration form.
