

## GETTING MY FACTS STRAIGHT CHALLENGE!

### *Parent Log*

Student's Name: \_\_\_\_\_

Teacher's Name: \_\_\_\_\_

Have your child play the math game for a minimum of ten minutes three times each week. Identify the *Learning Link* video title that was used weekly, for example, *Multiplication War*. Record the minutes your child played each time. Parents, please initial the log at the end of the week. Return the completed log to the classroom teacher by the end of the month. Thank you.
