

# RESOURCE DOCUMENT

**Learning Link Ambassadors** acknowledge families as a vital component to the personal and academic success of the student. These dynamic educators utilize the Learning Link platform to effectively engage students in their classroom while strengthening communication with families, drawing them into the learning process through hands-on learning games and activities.

**Learning Link Ambassadors** are educators who are excited about Learning Link and have a desire to share their success with others through various opportunities, such as:

- Presentations at Local, State, and National Conferences
- Parent/Teacher Nights at School
- Informational Webinars
- Trade Shows

## DESCRIPTIONS AND SAMPLES OF PRESENTATIONS

### ***Learning Link 101***

This is a brief presentation describing how an educator can use Learning Link in the classroom. The presenter takes attendees through setting up a class list, selecting the right Learning Links, sharing the Learning Link, and tracking family participation.

[\[SAMPLE POWERPOINT PRESENTATION\]](#)

### ***Challenge Accepted: Setting Up a Challenge for Your Class***

Provide information about how to set up a reading or math challenge in the classroom using Learning Link. Walk teachers through the process and explore the resources available to track learning gains including pre and post-tests, curriculum guides for reading and math challenges, pre-written communication for families.

[\[SAMPLE POWERPOINT PRESENTATION\]](#)

## ***Engaging Students & Families with Hands-on Activities & Digital Learning Link Resources***

Explore K-8<sup>th</sup> grade literacy and math Learning Link games, strategies, and activities to use in the classroom and to share with families. Examine how easily Learning Link videos allow teachers to differentiate instruction in the classroom. Demonstrate how Learning Link can empower families to use targeted strategies to help prevent the Summer Slide.
